

## CAMP CALVIN 2011 INFORMATION

April 16, 2011

Dear Pastor/Church Secretary/Camp Calvin Promoter:

Please find electronically attached a compilation of Camp Calvin 2011 promotional materials and registration forms. Information can also be accessed on line at [classiscolumbia.org](http://classiscolumbia.org)

The first item I would like to draw your attention is:

- A. Recommended Bulletin Announcements.
- B. Master copy of the **WE ARE LOOKING FOR:** flyer, which I recommend, be distributed one per family with your respective church bulletin's **Sunday April 17th**. Please run out two master then copy back to back in such a way that the two different things are on each side then cut the paper in half and voile 2 copies.
- C. Master copy of the **CAMP CALVIN NORTHWEST** promotional brochure for kids and parents. Please distribute this **Sunday, April 24th**, 2011 to families with middle school children. There are 2 masters here. Please take the 2 and copy back to back so that after the fold the front page will be title page, interior left panel will be "Some of the activities that await you", with the right panel having the boxed Camp Calvin Northwest, and the back page being about "This years special speaker".
- D. The remaining master is of the **Registration Form**. Here again there are 2 masters with one being the registration form/FAQ side and the BEHAVIORAL GUIDELINES side. Please copy these two back to back – the behavioral guideline side is texted identical on each side so as to simplify the copying. These forms can begin being distributed at any time now.
- E. Please appoint a Camp Calvin promoter/contact person who can answer questions and be responsible for meeting the timelines referenced above. This person's name should be inserted on the Registration form and appropriate bulletin announcements as they appear. This person also receives the completed registration forms & payments and mail to the camp director the day following the two deadlines of: June 26<sup>th</sup> or anytime thereafter for late registrants.
