

## Why CrossWay?

Geographically, we are located at the **crossway** (intersection) of Interstate 5 & Interstate 205.

More importantly, we believe that putting faith in Jesus' death on the **Cross** and in his resurrection is the only **Way** to eternal life.

Finally, we want to create individual and corporate connections or **crossways** with our community.

# WELCOME to

# CrossWay CHURCH

We are a brand new church in the Salmon Creek neighborhood of Vancouver, WA.

Thanks for investigating us.

This brochure tells you about our vision of the type of church we want to become. We would love to meet with you in person and share more of our history and future dreams.

## Transforming Truth

God has spoken to the world and His words found in the Bible are true. We want to be a community of faith that is committed to **God's truth** as our ultimate authority. Because we are broken people, God calls each of us to a **journey of transformation** as we encounter His truth. The Spirit of God is present in His people and enables them to understand and obey this truth. It is in this process that we are **changed**.

# Our Core Values:

## Community Involvement

Our community of faith sees itself as an agent of change and redemption in this world. We want to be **actively involved in our community**. We believe that we can show Christ to our neighbors through our response of active mercy and compassion to the needs around us.

## Genuine Relationships

God changes lives through **loving relationships**. In our journey of faith, we experience community as we begin a relationship with God, and as we spend time with other Christ-followers. It is in this **community of faith** that relationships are developed, deepened, and lives are changed.
